## Providing speakers to Wexford Post Primary schools Transition Year | Leaving Cert Cycle

Our mission is to connect schools with businesses and business people from Wexford and beyond through providing speakers. Our business partners are from a diverse range of backgrounds. Their experiences, knowledge and organisations seek to inform, educate, inspire and provide insight into the business environment and career paths and help students to successfully prepare for the modern world and find a career path that excites and suits them.

Launched in April 2021, four talks took place in May before the end of the 2020/2021 school year. A variety of topics were covered and the feedback from both students and teachers was very positive. All schools rated their talk as "Extremely Valuable" in surveys conducted after each talk.

## Topics covered include (initial talks):

- Management & Leadership
- Entrepreneurship & Innovation
- Financial Services & Banking
- Legal
- Sales & Business Development
- Digital Marketing
- Apprenticeships
- Motivation
- Life Experiences - Lessons Learned
- CV Workshop, Interview Skills and Workplace Etiquette
- Conduct & Culture in the Workplace
- Diversity & Inclusion
- Wellbeing

*Topics subject to change and speaker availability*

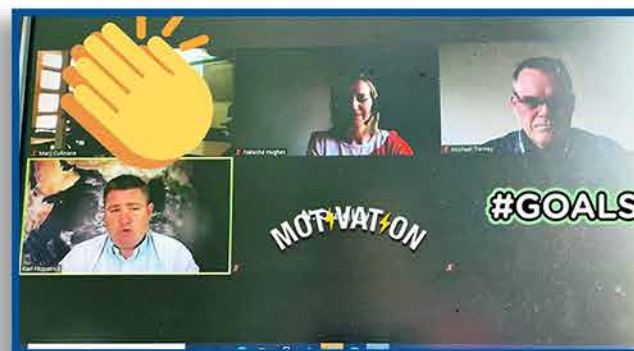

Talks can be conducted in-person or online | Approximately 45 minutes duration

## Praise for Careers Connect

*"Excellent project, thank you so much to you all."*

*"Thank you! Excellent initiative."*

*"Superb initiative - sincere thanks! Niall was superb. I have already passed on the details of Careers Connect to my other TY coordinators. Niall was just perfect and addressed exactly what we need for our LCVP and LCA senior students."*
